

## ANOTHER STEP BY GOVERNMENT OF KHYBER PAKHTUNKHWA TO

## STRENGTHEN ECONOMY THROUGH INDUSTRIAL DEVELOPMENT BY PROVIDING LOW-COST ENERGY

## **EXPRESSION OF INTEREST(EOI)**

PRE-QUALIFCATION OF BULK POWER CONSUMERS (BPCs)

After successful completion of first ever auction for electricity sale under wheeling arrangement, from Pehur Hydropower Project (18 MW) to the industrial consumers of Khyber Pakhtunkhwa, PEDO intends to launch Phase-II of electricity sale for 148 MW (887 GWH – based on design) from its Power Projects to Bulk Power Consumers (BPCs) under wheeling arrangement using Peshawar Electricity Supply Company's (PESCO) distribution system.

BPCs with the following characteristics, will be eligible for submission of Expression of Interest:

- Operational or under construction industrial project(s) in Khyber Pakhtunkhwa Province.
- Connected or in process of connection with PESCO through one or more feeders.
- Having existing or expected connected load of one (01) MW or higher.

Pre-qualified BPCs will be issued bidding documents for Phase-II power projects, for submission of technical and financial proposals based on conditions laid in respective RFP(s) and for operational and connected industrial undertakings in KPK. Interested BPCs may obtain "Pre-Qualification Documents" PQD upon payment of non-refundable processing fee of Rs. 20,000/- payable in the form of bank draft / pay order in favor of PEDO.

Last date for submission of the Expression of Interest (EOI) is December 15<sup>th</sup>, 2020

PEDO reserves the right to reject any EOI(s) received or to revoke the whole bidding process, without assigning any reason and without incurring any liability.

This is not an offer to acquire any assets.

## صنعتی ترقی اور معاشی استحکام کی جانب حکومتِ خیبر پختونخوا کا ایک اور قدم

پیڈوکو یہ تق حساصل ہے کہ کوئی بھی اظہارِ ولچین (EOI) مستر وکردے یا بول کے پورے عمسل کو بغیر کوئی وحب بتائے کالعسدم متسرار دے۔
